Upcoming Training Course

In the furtherance of preparing for possible future medical emergencies, Grace Church is hosting a training course on how to quickly stop bleeding. Called "Stop the Bleed", the training is a national awareness campaign sponsored by the Department of Homeland Security. It is intended to train bystanders to help in a bleeding emergency before professional help arrives. As a person who is bleeding can die from blood loss within five minutes, it is important to quickly render aid to stop that bleeding. No matter how rapid the arrival of professional emergency responders, bystanders will always be the first on the scene. Therefore, those nearest to someone with life threatening injuries are best positioned to provide first care.

The training is scheduled for Saturday, February 22nd at 12:30 pm at our Parish House. There is no cost to attend. If you are interested in attending this training, please let either myself, Claire, Fr. Vic or the Grace Church office know. I must provide a headcount so, if you'd like to attend, please let one of us know as soon as possible, but no later than Sunday, February 16th. ~Joe Barrett

Youth Group Update

The Grace Church Youth Group has been on hiatus during a change in leadership and after several of our youth graduated from High School. We are pleased to announce that the Youth Group has reconvened and will meet every month on the first Sunday, after the 10:30 AM Mass.

Youth and leaders met this past Sunday for a pizza lunch to plan for activities during the year. Our wonderful youth are excited about community service opportunities, especially Grace Church fundraisers like the upcoming Fish & Chips dinner and Tricky Tray. They also have some great ideas for fun and educational activities like a visit to the new trampoline park and camping.

We look forward to lively discussions, supporting our fundraising events, and embarking on new adventures together! ~Anne Caldwell
